Planting Seeds of Hope *Monthly*

Sunscreen

It's starting to get warmer... Therefore, the children will be going outside to play on the playground more. We encourage all parents to bring in sunscreen for their child, so the children do not get sun burnt. When you bring in the sunscreen a medication form will need to be filled out and signed. **Please check the expiration date to make sure the sunscreen is not expired and try the sunscreen at home first to check for side effects.**

Shoe Safety Guidelines

Due to the playground mulch on the playgrounds and the stairs, we ask that the children wear closed toed shoes that have a back strap. This is for their safety. If you have any questions or concerns please contact the Center's office.
