

# Planting Seeds of Hope MONTHLY

October 2021  
Fall Parent Teacher Conferences

All classrooms will be having parent teacher conferences the beginning of October. All parents will need to have a conference with their child's teacher to discuss your child's progress and growth. After the phone conference parents will be given a copy of the information discussed during the conference. If at anytime you have questions or concerns please contact the Center via email or phone.

## Monthly Mission Info

A huge thank you to all the families who helped us raise over \$1,460. for St Jude's Research Hospital in September at our Annual Trike-a-Thon! Our next months mission is Operation Christmas Child. This organization delivers Christmas shoeboxes to children all over the world in need. We will be sending home an informational letter mid October. This is a great time to teach your child about giving and to help children in need. Shoeboxes will be due in mid November. We will transport your boxes to a local Operation Christmas Child drop off site. Thank you in advance for your support of this great mission!

## Field Trip

The Preschool and Pre-K classrooms will be going on a field trip to Nickajack Pumpkin Patch Friday, Oct. 15th. An informational paper went home earlier explaining all the details of this fun family event, if you have any questions please see Loreen Smith. Please check the weather and dress your child appropriately in layers the day of the field trip. This field trip is rain or shine! Also a reminder the cash payment is due by Oct 13th.

**MIX MATCH DAY IS  
FRIDAY, OCT. 29TH**

## October Birthday's

1st-Sawyer G & Miss Morgan  
2nd-Matthias L.  
3rd-Miss. Patsie  
6th-Emilee R.  
8th-Aiden & Hudson G.  
10th-Miss. Jocelin  
12th-Addison C.  
15th-Ella L.  
31st-Grace B.

When Should I Stay Home?							
I have been exposed to COVID-19	I have a cough/runny nose	I have a fever	I am vomiting	I have diarrhea	I have a rash	I have an eye infection	I have been in the hospital/stat care
							
Self-quarantine and seek medical attention	Runny Nose / Cough	Temp of 100* or higher within the past 36hrs	Within the past 24hrs	Within the past 24hrs	Body rash	Redness, itching, and/or pus drainage from eye	Hospital stay and/or emergency/stat care visit
I am ready to go back to school when I am...							
Released by my medical provider to return	Free from runny nose/cough or have been evaluated by my doctor if needed	Fever free without the assistance of medication for 36hrs (i.e., Tylenol, Motrin, Advil)	Free from vomiting for 24hrs	Free from diarrhea for 24hrs	Free from rash and/or have been evaluated by my doctor if needed	Free from drainage and/or have been evaluated by my doctor if needed	Released by my medical provider to return

\*\*If your child has strep throat or another bacterial infection, he/she should stay home until the antibiotic has been given for at least 24hrs and your health care provider has given permission for your child to return. We encourage you to seek medical attention when your child is sick and to follow your health care provider's recommendations about returning. Please communicate with us of any diagnosis, so we can comply with our health requirements.\*\*
